Sorry am late with this, have been flat out since returning home.

Myself (Roy) & Sally Wilson booked your Cape Tribulation Budget Tour (booked it thru Hibiscus Apts Port Douglas) on Wednesday 31 October.

Wanted to let you know how much we enjoyed the whole day, including a very nice BBQ lunch. But especially wanted to commend your tour director that day, David. A pleasant manner, very knowledgable and informative, helped make the day.

I did not tell anyone, unless the hotel did, that I am in the industry, prefer it that way where practical, but I can certainly sell your product with confidence, and will do so. Usually go thru Sunlover along with other parts of itin.

Thanks again

Sincerely

Roy Wilson

Hi Melinda

Having just returned to a cold wet England I thought I would just drop you a quick note to say how much we enjoyed our day.

David was not only very professional , he was a gentleman with a great sense of humour. Believe me, it isn't very often that you see someone who obviously enjoys there job so much!

The Rain Forests were simply stunning and the memories will stay with us for the rest of our lives, so coupled with a great guy showing us around it was simply a brilliant day!

Could you please pass on our thanks again to David and tell him not to wear out the Mop incident too much !

Again many thanks

On Tuesday 25th September I was fortunate enough to be on the Cape Tribulation & Bloomfield Falls 4WD safari with David.

It was a great day with such a good variety of scenery and activities and relaxation. I would like to have spent a longer time in the richness of the Rainforest Boardwalk area! The fine lunch and the afternoon tea in their quite different venues, a lovely touch.

A very special thank you to David for his informative and lively interpretations of the magnificent environment and special areas we travelled through during the day.

Dear Sir,
Just a note to say how very much I enjoyed one of your 4-wheel drive tours during a recent holiday in Port Douglas. The tour was last Sunday, January 12th and David was our guide.

Of all the many trips I've done over the years, that was one of the best - everything from the cruise along the Daintree, the beautiful lund and of course the rainforest. I learnt so much and the knowledge that David shared with us was amazing - and he did so with much enthusiasm and good humour.

I'd be pleased if you would send me a couple of brochures as I know others who may be heading that way.

Again, many thanks and best wishes for your continued success -

We went on your 4WD tour (page 1 of your brochure) on Friday, 27th June.

We had a fantastic time and thoroughly enjoyed the day. It was very well organised, lunch was also great but my wife, my son and I all agree that it was David (our driver/tour guide) that made the day memorable. He was funny, enjoyable, entertaining during the entire day but was also very professional at all times.

Thank you David

My wife and I had the pleasure of going on one of your tours to Bloomfield Falls on the 8th November 2005. The tour was hosted by David and I would just like to take a moment to send our sincere thanks to you for a truly wonderful day. David was a great host, he was knowledgeable, humorous and a skilled driver and guide. I have always tried to avoid organised tours in the past, but our day out with David was exceptional and will always be remembered; even if we didn't get to see a Cassowary. Many thanks for taking care of us so well.
